This program is designed for women and men religious, priests and Bishops, who have recently retired from full time active ministry or intend retiring from such in the near future.

With good input from a variety of presenters, including Sr Nancy Schreck osf from the United States, time for silence and contemplation, relaxation and optional activities and the company of peers, participants will have every opportunity to be nourished to embark on the next stage of their journey into the heart of God and to imagine new, and perhaps unanticipated, but real opportunities for engagement in the Mission of God - *the shore of new invitation.*

**Nancy Schreck osf**, is a Franciscan Sister from Dubuque, Iowa, who recently concluded her service as president of her congregation. Nancy is a former president of the Leadership Conference of Women Religious. Nancy has also spent over 20

years working among at-risk youth in rural Mississippi and writing and speaking on biblical and theological themes.
