*"It is a wonderful day
in a life when one is finally
able to stand before the long,
deep mirror of one's own reflection
and view oneself with appreciation,
acceptance and wisdom.*

*On that day one breaks through the
falsity of images and expectations
which have blinded one's spirit.*

*One can only learn to see who one is
when one learns to view oneself
with the most intimate and
forgiving compassion."*

John O'Donohue
